RULES OF BORROWING

Taking Toys Out: "Star" Toys are toys that are extra expensive to buy or maintain are \$2 or \$5 to rent and all other toys are free. Maximum of five items can be borrowed. It is important to check the pieces of the toys you are taking out to ensure they are all there and not damaged before leaving the library. All toys have the recommended age range listed on the bag to help you make the best selection.

Lost, Broken, Damaged or Dirty Toys: There is a **\$5 charge** per piece for LOST, BROKEN, DAMAGED or DIRTY pieces. If you find the missing piece later, simply bring it back and receive a \$5 refund. If a lost or missing piece costs more than \$5, or it is significant to the toy, you may be asked to pay the difference / replace the toy. If you have LOST the whole item, you will be asked to pay % of the replacement value, based on 20% annual depreciation of the age of the toy, to a minimum of \$10.

Overdue Toys: Overdue toys will be fined **\$2.50 per toy** per week, for every week the toy is overdue.

Renewal of Toys: Toys can be renewed once in person or via email, up to midday on the day they are due before they start to incur Overdue charges. If they are a Star Toy, you will have to pay \$2 or \$5 rental for the renewal.
